

Lewes & The Havens Networking Forum Tuesday 4th July at The Linklater Pavilion in Lewes

Summary of feedback from participants (33 representatives plus 9 staff/panellists from approx. 34 different voluntary & community groups & public-sector bodies attended) and gave feedback on what they would like to cover in future networking forums;

What we want:

- Bridges with other organisations (signposting).
- (Stalls) and more time for a 'marketplace' – sharing of information between organisations.
- Shared good practice – more opportunities for joint working and learning together.
- Themed meetings – e.g. domestic violence, parenting.
- Participation – representatives from education and adolescent mental health.
- Alternate venues – Lewes & The Havens locations.
- Facebook page for Lewes & The Havens networking, information sharing.
- Care navigators – this network to have input into how it looks.
- Include representatives from all areas of work.
