

## **Seaford Networking Forum**

### **Thursday 13<sup>th</sup> July at St. James' Trust in Seaford**

**Summary of feedback from participants** (23 representatives plus 4 staff from approx. 20 different voluntary & community groups & public-sector bodies attended) and gave feedback on what they would like to cover in future networking forums;

#### **What we want:**

- How we engage young people – time of meetings. Internet – advertising. Start in schools, invite Young Mayor
- Utilise Seaford noticeboard on Facebook
- What should the network look like – all inclusive, for everyone, open to all
- Non-judgemental communication and support, coffee mornings ('nattering')
- Good to have independent groups represented – health, private businesses, educations, GP's/nurses, people working with young people, adult social care etc.
- Themes – identifying gaps in services
- 'Market place' for groups to promote activities
- Volunteer coordination event.
- Follow up – list of everyone who was here and a short biography of what they do.

#### **Wish you were here:**

- Please list the names of anyone you feel might benefit from and/or want to be part of this network
- Teresa at Cheney's Lodge
- GP/nurse

- Seaford Library
- Education (healthy school) – Chris Sulthorpe
- East Sussex Young Carers – Katie Hartfield
